"A really motivating day"

"It was nice to know that there wasn't always a straight forward answer to a presentation"

"Good mix of topics. Very helpful to have multi-disciplinary approach"

The rationale of admitting CYP to the ward to demonstrate how serious it is will change local practice"

"Excellent selection of speakers"

"The variety of content and the interaction with the use of polls was really helpful and engaging"

"Couple too long – break up"

"Great day with interesting questions generated and opportunity to share experiences of working with this population"

"Excellent sharing of best practice. Please can we do this more"
