Agenda:	<ul style="list-style-type: none"> Welcome and introductions Questions required for survey Date and time of next meeting 			
Agenda items	<p>Welcome and introductions took place.</p> <ul style="list-style-type: none"> ES outlined aims of group including: <ul style="list-style-type: none"> Aim to have question(s) on the NPDA when it next goes out to tender. SC stressed importance of identifying prevalence of T1DE and how the group can answer this Plans to undertake 3 surveys - Clinicians, family, and a patient survey. Also suggested CAMHS service survey or ED service. <ul style="list-style-type: none"> Clinician survey suggested questions: <ul style="list-style-type: none"> Do you have an eating disorder lead in your service? Do you have collaborative working with an eating disorder service? How are patients identified to have an eating disorder? How many patients with ED are you supporting? How many patients with ED are you supporting without eating disorder service involvement? Have you heard of MARZIPAN? Are you using the new MEED guidance?

	<ul style="list-style-type: none">▪ How many patients do you suspect have eating disorders? <p>ES displayed the survey draft that has been started for some of the other task and finish groups. Aim to have one survey with all questions to avoid survey fatigue. SC suggested all members of the group come up with two question each. One for the survey and one for what we plan to have on the NPDA to identify prevalence.</p>
Actions	<ul style="list-style-type: none">• Action: group members to bring ideas of questions to the next meeting
