- Who to include in alert ?up to 18, what about over 18s?
- Simple message. Link to guidance if possible.
- **Action: Lab alerts on requesting HbA1c/glucose – look at trialling locally**
- **Pharmacy first**
 - Marlon discussed pharmacy first – allows people to be screened for T2DM when visiting pharmacy - ?could extend to give opportunity for testing for T1DM in children with symptoms
 - **Action: MaM to contact local ICB contacts, to see how easy it would be to implement pharmacy blood sugar tests for CYP**
- Feedback letters to GP – to share with networks/website
 - Awaiting response from Ambika

Actions

- ❖ Discussion around asking families permission to include video, within the lecture slide-set. MM to speak to AS regarding this.
- ❖ MM to complete lecture slide-set
- ❖ PB to work on teacher slide-set.
- ❖ School health promotion email – MM
- ❖ MaM to contact local ICB contacts to see how easy it would be to implement pharmacy blood sugar tests.
- ❖ Lab alerts on requesting HbA1c/glucose – look at trialling locally
