**13th June 2024
Via Microsoft Teams**

- **Review previous minutes**
- **Sharing of screening review table**
- **Review draft outline regarding how to talk about weight**
- **Work plan moving forwards**
- **Define next steps**

**Agenda
items**

Welcome and introductions

RA opened the meeting, introducing new members to the group, EF and IO introduced themselves to the group.

Review of previous minutes

- Scoping document circulated
- Survey has gone out and has 262 total responses with 174 of those PDU's
 - Rosie to share slides at a meeting on 29th August with results

Sharing of screening review table

- AP to submit to BSPED to share the screening review table task
 - Asked for comments from the group regarding this to be directed to AP and RA

Review draft outline regarding how to talk about weight

- Draft outline created by LM, investigating how to talk about weight and share pathways:
 - Research shared with the group [here](#)
 - LM gave an overview of abstract to group.
 - Discussion around adding a section around sensitivity when talking about weight. Majority of the group in favour of this being added to this work stream

Work plan moving forwards

A guidance document will be developed by the working group to support teams decision making when using screening tools, AP divided the topics within the guidance document to be produced by the following members of the group:

- Introduction - LM, AS & MM to lead on this.
- Who should be screened - SG & IO to lead on this
- How often should screening take place - MCB to lead on this
